20 August 2021

Dear Parents and Carers,

Thank you for your patience and understanding over the last two weeks in regards to not entering the school grounds due to health directives and directives of the Department of Education. While disappointing, we appreciate you following the rules to ensure that we are being consistent with schools across the 11 Local Government Areas, also affected by the restrictions.

I am relieved to announce that we will be able to welcome parents onto school grounds once again from **Monday 23 August 2021**, with the requirement they adhere to the ongoing direction regarding the wearing of masks. This means masks must be worn by all adults inside school buildings (unless they can stay 1.5m apart from other people) but may be removed outdoors, as long as they can keep 1.5 metres apart from other people.

Assemblies and other large group activities including instrumental music groups, choirs, performances, extra curricula sporting activities, and dancing will also be permitted, adhering to COVID-19 health directions.

We look forward to welcoming you back onto school grounds next week!

Yours sincerely,

Melissa Burke

Principal
