Dear Parents, Carers and Students

A warm welcome to Norris Road State School. We hope that the time you spend as part of our community will be enjoyable and rewarding.

Norris Road State School is an Independent Public School. It was established in 1977 and since then has developed a strong reputation in the Bracken Ridge community. We know that many lasting friendships and memories have and will continue to be created at Norris Road as our students partake of the many and varied curricula and extra-curricular opportunities provided throughout their primary schooling.

Our professional staff is committed to providing the best educational outcomes for your child.

All students, from Prep to Year 6 receive lessons in music and physical education as well as access to our well-resourced library. All students have access to computers and the internet in classes, the library and our two computer labs.

Additionally, Norris Road has an Inclusive Education Program to support students with disabilities, an Inclusion Teacher: Literacy and Numeracy to assist students with additional learning needs and enrichment, a Head of Curriculum to strengthen the outcomes for students, and a well established instrumental music program including a new Strings program in 2019.

Our Responsible Behaviour Plan encourages and supports students in becoming responsible for their own behaviour.

We encourage you to become involved in the life of our school as a classroom or tuckshop volunteer or as a part of our active Parents and Citizens Committee. We welcome your involvement and look forward to seeing you around the school.

Yours sincerely

.....  
Shannon Lusk  
(Principal)

.....  
Thelma Scammells  
(Deputy Principal)
